About AAHAM

AAHAM was founded in 1968 as the American Guild of Patient Account Management. Initially formed to serve the interests of hospital patient account managers, AAHAM has evolved into a national membership association that represents a broad-based constituency of healthcare professionals across a wide variety of facilities.

Development of our member's knowledge and skill necessary to provide quality patient financial service is a primary goal of our organization. Our publications, conferences, certification and networking offer numerous opportunities for increasing the skills and knowledge necessary to function effectively and competitively in today's rapidly evolving healthcare environment. AAHAM actively represents the interests of healthcare administrative management professionals through a comprehensive program of legislative and regulatory monitoring, and its participation in industry groups such as WEDI, ANSI, DISA and NUBC.

"The contacts and resources that are available through the AAHAM are immeasurable, both at the state and the national levels. I encourage every healthcare professional involved in Patient Financial Services either as a provider or a vendor to consider membership. If the employer will not cover membership fees, I challenge a perspective member to ask yourself what your career is worth to you. In addition, local chapters offer a great opportunity to obtain an industry leading healthcare certification which provides exceptional value to students when seeking employment in the healthcare field.

Upon receiving your full time student membership application, your local chapter will contact you to notify you of how to become involved in your local professional chapter.

Please allow two weeks for processing after your application is received at the national office. Dues are not tax deductible as a charitable contribution, but may be as a business expense. Approximately 4% of your annual dues are used for lobbying activities and are non-deductible.

Please note: AAHAM's membership year is from January to December, it is not anniversary based. Membership is on an individual, not institutional, basis and is non-transferable.
